

SU0050-SU0156-SU0051-SU0061

ITA **Struttura** Monoscocca in polipropilene rinforzato. I colori disponibili sono riportati in "Materiali e finiture".

Cuscini Cuscinetti termoformati con espanso e tessuto ignifugo nei colori riportati in "Materiali e finiture"

Caratteristiche La sedia è impilabile fino a 8 unità. La poltroncina è impilabile fino a 4 unità.

Attenzione Ordine minimo per sedie e poltroncina: 4 pezzi o multipli di 4 dello stesso colore e tipo articolo.
Il colore nero evidenzia maggiormente, rispetto agli altri colori, OMBREGGIATURE intrinseche del materiale, che sono da ritenersi nella norma.
Il tavolo Supernatural non è adatto ad un uso Contract intensivo perché il materiale non sopporta una escursione termica superiore ai 30 °C e una esposizione diretta al sole.

DEU **Struktur** Schale aus Polypropylen. Erhältliche Farben in "Materialien und Ausführungen".

Kissen Thermisch geformte Schaumstoffkissen, feuerhemmender Stoff in den Farben laut "Materialien und Ausführungen".

Besonderheiten Bis zu 8 Stühle stapelbar. Kleine Sessel bis 4 Stück stapelbar.

Achtung Mindestbestellung fuer Stuehle und Sessel: 4 Stück oder Vielfaches der gleichen Farbe und Art.

Die für dieses Material typischen SCHATTEN sind bei schwarzer Farbe deutlicher zu sehen als bei anderen Farben und sind als normal zu werten.
Supernatural Tisch ist nicht für den Einsatz Vertrag intensiv, da das Material nicht in einem Temperaturbereich über 30 °C und eine direkte Sonneneinstrahlung zu tolerieren.

ENG **Structure** Single shell in polypropylene. The available colours are shown in "Materials and Finishes".

Cushions Heat-formed cushions with flame-retardant fabric and foam in the colours shown in "Materials and Finishes"

Features The chair can be stacked up to 8. The small armchair can be stacked up to 4.

Note Minimum order for chairs and small armchair: 4 items or multiples of 4 in the same colour and model.
The natural shading of the material is more apparent in the black, compared to the other colours, which is to be considered normal.
Supernatural table is not suitable for use Contract intensive because the material does not tolerate a temperature range above 30 °C and a direct exposure to the sun.

FRA **Structure** Monocoque en polypropylène. Les couleurs disponibles sont indiquées dans "Matériaux et finitions"

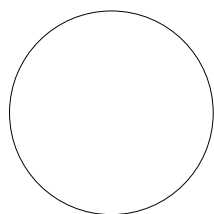

Coussins Coussins thermoformés avec mousse et tissu ignifugé dans les couleurs indiquées dans "Matériaux et finitions"

Caractéristiques La chaise est empilable (jusqu'à 8 unités). Le petit fauteuil est empilable (jusqu'à 4 unités).

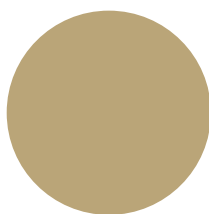

Attention Commande minimum pour chaises et petit fauteuil: 4 pièces ou multiples de 4 de la même couleur et du même type d'article.
Le noir plus que toutes les autres couleurs, met plus en évidence les OMBRES qui sont typiques du matériau et ne constituent donc pas un défaut.
Le table Supernatural est pas adaptés pour une utilisation intensive Contrat parce que le matériel ne tolère pas une plage de température supérieure à 30 °C et une exposition directe au soleil.
